EDUCATION

University of North Carolina at Chapel Hill – Chapel Hill, NC May 2028
B.A. in Computer Science and Economics; Minor in Public Policy

EXPERIENCE

Greensky – Atlanta, GA May 2025 – August 2025
Capital Markets Intern at $2B+ FinTech specializing in home improvement lending

- Built predictive models and tools to identify loan pools meeting Fitch and KBRA criteria, prepared data tapes, stratified samples, and automated investor and bank reporting
- Facilitated Asset Backed Securities (ABS) securitization and transaction execution, and new credit facility deal alongside Goldman Sachs, RBC, Mizuho, and Citi to finance future securitized loans (https://www.greensky.com/)

bSide Partners – Duluth, GA January 2024 – May 2024
Intern at commercial real estate investment firm

- Supported business development teams with data analysis for evaluating commercial real estate investment and acquisition targets
- Developed MS-Excel macros to optimize data analysis from third party datasets (https://www.bsidepartners.com/)

Hermeus Corporation - Atlanta, GA July 2024
Software Engineering Intern at aerospace and defense startup with $300M+in Series C funding

- Assisted in building user interface using Java for maneuvering a commercial, hyper-sonic aircraft designed to fly five times the speed of sound (MACH 5)
- Worked with management and software engineers to implement two new features through database management, API design and development, and backend software development (https://www.hermeus.com/)

LEADERSHIP AND COMMUNITY INVOLVEMENT

UNC CS + Social Good – Chapel Hill, NC September 2025 – Present
VP of Outreach and Project Team

- Outreach/Events: Lead outreach, external relations, social media, and budget planning in coordination with campus and departmental stakeholders, organizing events and workshops for 100+ members
- Project Teams: Develop interactive educational platforms for UNC departments, including the Parr Center and Pauli Murray, using React, TypeScript, Firebase (Firestore, Storage), and Node.js

HackNC – Chapel Hill, NC March 2025 – Present
Co-Lead (President)

- Lead a 20+ member organizing team across logistics, marketing, and sponsorship to plan and execute HackNC, UNC's flagship 500+ participant hackathon
- Drive sponsor outreach and budget strategy, securing corporate partnerships and university funding to support venue, prizes, and overall participant experience

Aga Khan Development Network (AKDN) – Duluth, GA August 2020 – Present
Mentor and Youth Team Leader

- Mentor: Coach low-income students with college application processes, including essay editing, financial aid guidance, and application submission
- Youth Team Leader: Led 100+ volunteers from age 8-18 years to organize youth activities and managed events serving 5000 people every weekend

Coded for Africa – Nairobi, Kenya August 2020 – Present
Founder

- Program to help 200+ students develop their interest in technology to improve their future quality of life
- Partnered with IBM to develop Cloud Certification programs for upper-middle and high school students at Jaffery Academy in Nairobi and Aga Khan Education Services of Kenya (https://www.codedforafrica.com/)
